

ALLSORTS EMBROIDERY

BUTTERFLIES IN FLIGHT

10 Butterfly Designs for the following hoops: 4x4, 5x7, 6x6

Marathon Rayon Green 1122 (This is the color I used)

These are monocolour designs.

Play with crystals to decorate these beautiful butterflies

The chart gives you the sizes of the butterflies for the different hoops. For the Hus format I had to resize the no. 2 butterfly to fit their hoop.
